One supplier for your projects

Thames Valley Distribution is a regional distributor. We source directly from manufacturers and supply builders, contractors, developers, property managers and hospitality operators – with one contact from quote to delivery.

Every product has its own item code (TVD-001, TVD-002 …). There are no list prices: send us codes and quantities and we return a quote with confirmed specifications, certification and lead time.

How ordering works

- Send item codes, quantities, finishes and your site address.
- We confirm specs, certification and lead time in writing.
- Consolidated shipping and delivery to site.
- Use the product index at the back to find any code.

Why order through us

- Manufacturer-direct project pricing.
- One contact from quote to delivery.
- Whole-project quantities and phased deliveries.
- Products chosen for Canadian projects and codes.
