One supplier for your projects

Thames Valley Distribution is a regional distributor. We source directly from manufacturers and supply builders, contractors, developers, property managers and hospitality operators – with one contact from quote to delivery.

Every product has its own item code (TVD-001, TVD-002 …). There are no list prices: send us codes and quantities and we return a quote with confirmed specifications, certification and lead time.

How ordering works

- Send item codes, quantities, finishes and your site address.
- We confirm specs, certification and lead time in writing.
- Consolidated shipping and delivery to site.
- Use the product index at the back to find any code.

Why order through us

- Manufacturer-direct project pricing.
- One contact from quote to delivery.
- Whole-project quantities and phased deliveries.
- Products chosen for Canadian projects and codes.

Laser Welding & Cutting Machines

Handheld fibre laser welders and laser cutting machines for sheet and tube.

TVD-4593

Air-Cooled Handheld Laser Welder

- Air-cooled, no chiller needed
- Continuous or pulse welding mode

QUOTE ON REQUEST

TVD-4594

Water-Cooled Handheld Laser Welder

- 1500 W, 2000 W or 3000 W models
- Built-in water chiller, 0-120 mm/s

QUOTE ON REQUEST

TVD-4595

Handheld Laser Welding Gun

- Welding, cleaning and cutting heads
- Wire-feed bracket, protective lens
